

# SANTA CALLING

Watch the excitement when your child receives a call from Santa Claus! "Santa Calling" is a program offered by Ashland Recreation for Ashland children in Pre-K to Third Grade.

Santa wants to make your child feel special this holiday season with an unforgettable gift: A personalized phone call from Jolly Old St. Nick himself! Imagine how surprised they'll be to receive a call from Santa. Watch their eyes light up with amazement as Santa lets them know how special they are.

Partner with Ashland Recreation this holiday season to provide a unique and memorable holiday experience for your whole family in the comfort of your own home. Simply complete this form and return the form to the Recreation office by Thursday, December 15, 2016, so Santa can call your child before Christmas.

To thank Santa for his time, he hopes you would consider making a donation payable to "Ashland Recreation" for maintaining KidSpot playground. Your donation will help his "elves" get the playground ready for the children to enjoy next spring.
