Dear Residents,

The Town of Ashland invites you to a community forum to notify you about the upcoming pavement construction on your street.

The meeting will be held on Wednesday June 10th at the Selectman's conference room in the Town hall. Below are the scheduled times - 6:30 PM to 7:00 PM – Tilton Avenue.
7:00 PM to 7:30 PM – Howe Street.
7:30 PM to 8:00 PM – High Street and
8:00 PM to 8:30 PM – Concord Street

Please also see attached for details on the project and a map that identifies the segments of road construction on your street, so you can come informed to the meeting. At this time, we do not have accurate dates for construction on individual streets. We estimate the construction will start mid-June and finish by end of September.

-Please contact the DPW with any questions at rpurimetla@ashlandmass.com

Sincerely

David Manugian
