Stormwater Advisory Committee Agenda

Tuesday, March 3, 2026, 6:30pm to 8:30pm

Location: Remote, Google Meets

Video call link: <https://meet.google.com/bpx-dbqb-xzk>

Or dial: (US) +1 386-753-8138 PIN: 172 441 394#

Our Mission

- To be the representative of the Town's People for all stormwater matters other than those that fall under the jurisdiction of the Conservation Commission,
- To focus on the 'Spirit of the Law' → Pollution Reduction
- To be knowledgeable about Stormwater regulations, options and methods of compliance
- To provide oversight of the Town's compliance with Stormwater regulations
- To provide to the Select Board and the Town's People periodic reports on the state of stormwater compliance and make recommendations for further action
- To partner with the DPW, Conservation Commission and others to,
 - Provide increased public awareness of stormwater issues and methods
 - Provide education of the public in general and youth in our schools
 - Provide recommendations for improving stormwater management
 - Advise on funding issues, bylaw changes, the provision of incentives and other Stormwater related issues that may arise.
