

Town of Ashland

MASSACHUSETTS

Town of Ashland, Stormwater Advisory Committee

Joint Meeting with Select Board

April 15, 2026, 7:00pm

For Remote Video link please see Select Board Agenda

Our Mission

- To be the representative of the Town's People for all stormwater matters other than those that fall under the jurisdiction of the Conservation Commission,
- To focus on adherence to the 'Spirit of the Law' to reduce pollution in Ashland
- To be knowledgeable about Stormwater Regulations, options and methods of compliance
- To provide oversight of the Town's compliance with Stormwater regulations
- To provide to the Board and the Town's People an annual report on the state of stormwater compliance and make recommendations for further action
- To partner with the DPW, Conservation Commission and others to,
 - Provide increased public awareness of stormwater issues and methods
 - Provide education of the public in general and youth in our schools
 - Provide recommendations for improving stormwater management
 - Advise on funding issues, bylaw changes, the provision of incentives and other Stormwater related issues that may arise.

Agenda

The Stormwater Advisory Committee will make a presentation to the Select Board to inform the Board about the status of Ashland's stormwater activity and to alert the Board to possible changes coming when the new EPA MS4 Permit Requirements are released.

The next meeting of SWAC will be held on May 5, 2026
