This is a public hybrid meeting. At least four committee members, one of whom must be the chair or vice chair, must be in attendance in person to form a quorum. Citizen attendance is invited and encouraged. Because of the nature of the online meeting the chair may need to limit participation and commentary. This agenda is subject to change and includes those items reasonably anticipated to be discussed. Not all agenda items may, in fact, be discussed, and other items not listed may also be brought up for discussion to the extent permitted.
