**Agenda subject to change*

This remote meeting was posted prior to the anticipated expiration, Thursday, July 15th at midnight, of the pandemic-related Open Meeting Law relief. Although it was anticipated that the General Court would take action to resolve the current ambiguity in the application of the law and any further extensions, at this time no conclusion has been reached. This meeting, already posted in accordance with the provisions of the Open Meeting Law, will be held as scheduled to avoid interruption of vital government services the public has come to expect and to avoid excluding members of the public who planned to attend remotely.
