Chairman DeAlmeida called the meeting to order. Paratore motioned to accept the meeting minutes from January 11, 2022. The motion was seconded by Childress. The members voted unanimously to accept the minutes.

Paratore thanked the group for coming together for an out of session meeting. She explained that because Ashland resident Stephen Morgan filed an Open Meeting Law Violation complaint against the Commission on January 11, 2022, the Town's attorney had to draft and file a response to the complaint within a certain amount of time. She asked the group if everyone had time to review the draft that she emailed over earlier that morning. All in attendance said they had. Neilsen motioned to accept the draft response to the Open Meeting Law Violation Complaint filed by Ashland resident Stephen Morgan on January 11, 2022. The motion was seconded by DeAlmeida. The group voted to unanimously to accept the draft response. Paratore said that would inform the Town's attorney that the Commission has accepted the draft and that he is able to submit it on our behalf.

With no other business to discuss, Neilsen motioned to adjourn the meeting, seconded by Flannery.
