**Re: Request to Amend Order of Conditions
Modified Plans
DEP File No. 95-975
The Rah Living Trust, Michael & Marjorie Rah
29 Hardwick Road, Ashland, MA**

Dear Commission Members,

On behalf of Michael and Marjorie Rah, we are requesting to amend the existing Order of Conditions for DEP File No. 95-975. The applicants are proposing revisions to the footprint the of proposed addition. The revisions are as follows:

- A 5' x 5' addition with a set of access stairs has been added over rear access doorway, expanding the footprint of the proposed in-law addition. This also shifts the in-law addition 5 feet to the north.
- A small patio has been added to connect the addition and the existing patio.
- The farmers porch shown on the January 29, 2023 plan has been eliminated.
- The existing raised planting bed to the rear of the house has been removed.

Attached please find the following materials:

- The revised plan entitled "Proposed Addition Plan, 29 Hardwick Road, Ashland, MA", prepared by GLM Engineering Consultants, Inc. dated through February 2, 2023

Thank you for your attention. Please call me at 508-429-1100 if you have any questions.

Sincerely,
GLM Engineering Consultants, Inc.

Joyce E. Hastings, P.L.S.
