## **ASHLAND PUBLIC SCHOOLS**

Welcome to Ashland Public Schools, home of the Clockers! Led by Superintendent James E. Adams, we educate over 2,800 students who speak more than 20 languages. We have five schools, including a preschool and the highly-rated and recognized Ashland High School.

From high-quality early education, to a strong foundation in elementary and middle school, to our challenging high-school coursework, college and career readiness is our goal in every classroom.

We have all the ingredients for success right here in our district—brilliant students, engaged families, outstanding educators and pride in our community.
