**Re: Request for Zoning Determination- A&M PROJECT #2356-01-RAIL TRANSIT  
DISTRICT OFF MBTA ROADWAY-( SECTION RTD-E&D)**

Dear MR. CORDEIRO,

I have reviewed the information you have provided for the above mentioned proposed project.

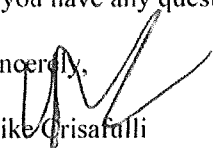

The above mentioned project to ADD A SOLAR FARM TO THE RDT-E&D SECTION that is excluded from the solar overlay district where "solar" has been excluded. According to section 8.4.4 they are not allowed in those areas as a permitted use.

You can appeal my determination to the Zoning Board of Appeals.

Then if approved would have to be amended at a Special Town Meeting.

If you have any questions, please feel free to contact me directly at (508) 881-0100X7970.

Sincerely,

  
Mike Crisafulli
