Ashland, MA 01721

Re: Robert Hill Way Irrigation Well – Request for Waiver to Use Existing Irrigation Well

Dear Madame Chairwoman Mortensen,

I am writing to you to request that the Board consider granting a waiver from Well Regulations, Chapter 312-3.E, to RHW Development LLC, the owner of the Ledges, a.k.a., Robert Hill Way, located at One Robert Hill Way, so that the community may use the existing irrigation well that is located on the Town of Ashland's property.

Needless to say, please contact me if you should have any questions regarding our request for this waiver.

Thank you for your consideration.

Sincerely,

Dana Angelo
